# Mad Libs: Fair Edition

This game is most fun played with two people! One player asks the other player for the type of word specified under each blank line without telling that player what the sentence says. Once all the blanks have been filled, read the story out loud and hear about your adventure at the fair!

## My Day at the Fair

Today we went to the fair, and it was so \_\_\_\_\_! I went to the fair in \_\_\_\_\_ with my \_\_\_\_\_. Before we left for the fair, I made sure to pack \_\_\_\_\_ and put on (a) \_\_\_\_\_ because the weather was going to be \_\_\_\_\_. In my opinion, the perfect weather for a day at the fair is when it's \_\_\_\_\_ and at least \_\_\_\_\_ °F outside.

The first thing we saw when we got to the fair was the \_\_\_\_\_. Then I got to play my favorite fair game, \_\_\_\_\_, and I won a(n) \_\_\_\_\_! After I won that awesome prize, I was hungry, so I ate \_\_\_\_\_.

Before we left, I had to make sure I saw the \_\_\_\_\_. They made lots of noise that sounded like this, "\_\_\_\_\_." Once I saw the \_\_\_\_\_, I also wanted to see the \_\_\_\_\_ and the \_\_\_\_\_ because they are \_\_\_\_\_.

Once I had seen everything I wanted to see at the fair, we headed home. The ride home was \_\_\_\_\_, so I had plenty of time to think about what a(n) \_\_\_\_\_ day we had. I can't wait to go back to the fair next year!
