We live it.

Swine

Connect the dots to complete the pig.

Did you know?

Bacon, ham and pork chops all come from pigs.

A pig can run a mile in seven minutes averaging a top speed of about 11 miles per hour.

Pigs have more taste buds than humans. A pig has 15,000 taste buds while humans only have 9,000.

Learn the terms

Pig: generic term, usually refers to immature (teenage) swine

Hog: generic term, usually applied to growing swine

Gilt: young female swine; has not produced a litter

Sow: Mother pig; has 2 or 3 litters per year with 8-15 piglets per litter

Dairy

Use the grid to copy the dairy cow below.

Did you know?

An average dairy cow produces 7 to 9 gallons of milk a day. That's about 128 glasses of great-tasting, nutrient-packed goodness.

Learn the terms

Bull: An adult male dairy animal

Calf: A baby dairy animal

Cow: An adult female dairy animal that has delivered a calf, usually around 2 years of age

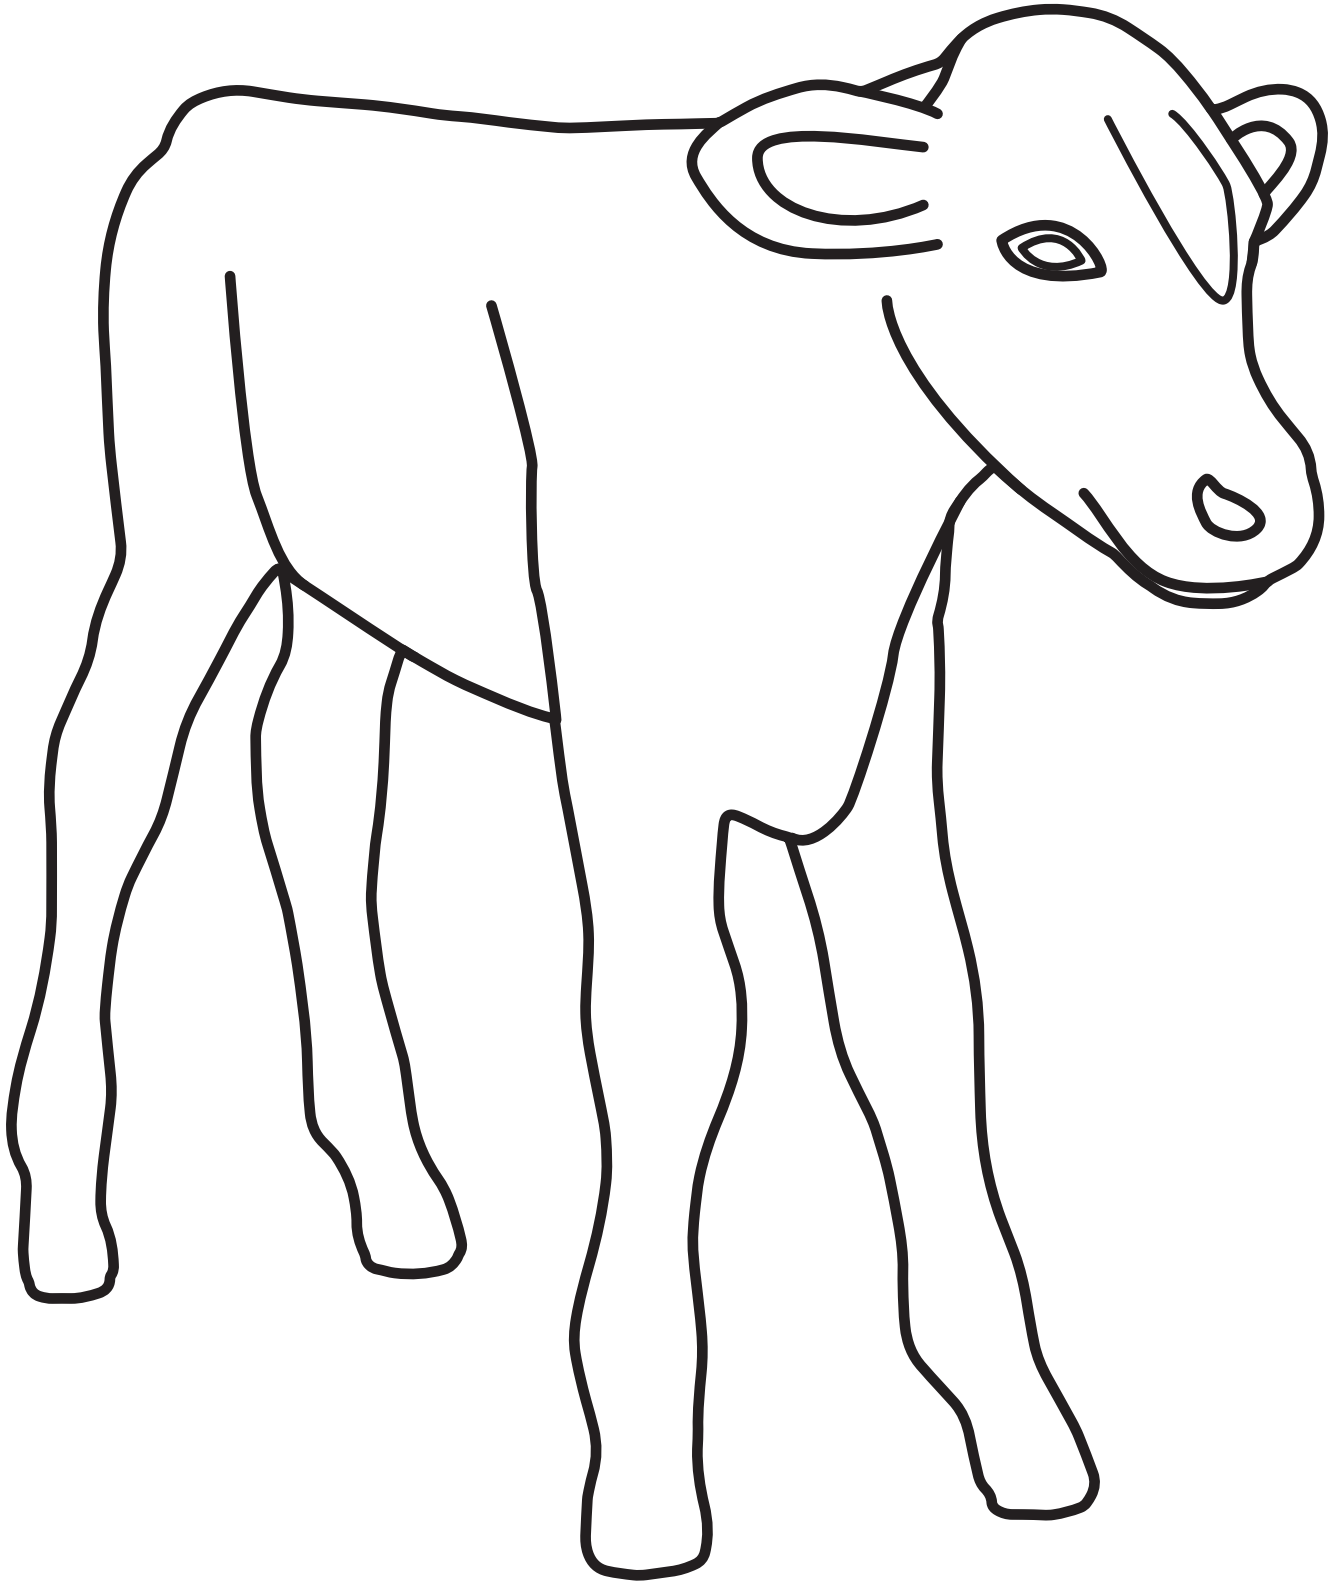

Heifer: A young female dairy animal that has yet to give birth to a calf

A group of these animals can be called a **drift**, **drove**, **herd** or **mob**.
